

**TABLE 6.2**  
**Financial Assets Available to Clinics for Case Support**

| Type of Resource                       | Support Available   | Examples and Links  |
|--|---|---|
| <b>Local or state VMAs</b>             | Many VMAs have created foundations to provide member practices with subsidies to support clients in need. | Rhode Island VMA<br><a href="https://rivma.org/page/caf">https://rivma.org/page/caf</a><br>NYSVMS Veterinary Care Fund<br><a href="https://nysvms.org/foundation/#">https://nysvms.org/foundation/#</a> |
| <b>National veterinary association</b> | National foundation with grants to member veterinarians to support patient care                           | AVMF Reach Program<br><a href="https://www.avmf.org/our-impact/reach-animal-care-program/">https://www.avmf.org/our-impact/reach-animal-care-program/</a>   |
| <b>Private foundations</b>             | Grants to veterinarians to support direct care with some level of client and clinic support               | Brown Dog Foundation<br><a href="https://www.browndogfoundation.org/">https://www.browndogfoundation.org/</a>   |

Not an exhaustive list. Options may vary based on location.

AVMF, American Veterinary Medical Foundation; NYSVMS, New York State Veterinary Medical Society; VMA, veterinary medical association.

**The 2024 Community Care Guidelines for Small Animal Practice are available at [aaha.org/community-care](https://aaha.org/community-care).**

These guidelines were prepared by a Task Force of experts convened by the American Animal Hospital Association (AAHA) and were subjected to a formal peer-review process. This document is intended as a guideline only, not an AAHA standard of care. These guidelines and recommendations should not be construed as dictating an exclusive protocol, course of treatment, or procedure. Variations in practice may be warranted based on the needs of the individual patient, resources, and limitations unique to each individual practice setting. ©2024 AAHA.
